

Wayne County Intercounty Transfer – Additional Information
(January 2019)

Wayne County, here are some of our guidelines for acceptance to avoid rejection:

At least six months left on supervision

DNA submitted prior to transfer

Generally no ARD cases

Any cases that require any EM services or other special services, must be pre-approved by our transfer contact PO

No registered offenders unless all requirements are completed and our transfer contact PO pre-approves

If a case with less than 6 months of supervision and or ARD is high risk or “special circumstances” to contact us and ask for the request to supervise.

Our supervising case transfer-in PO is:

Lisa A. Salak, Senior Adult Probation/Parole Officer
