Inter-County Transfer Guidelines

Luzerne County Adult Probation & Parole currently accepts supervision of all offenders who reside in Luzerne County. Sentences transferred should be at least six (6) months, but those already under our supervision will be given special consideration for acceptance.

Luzerne County Adult Probation & Parole requires a supervision fee of \$60.00 a month for any offender that is accepted.

Offenders with supervision that requires house arrest with electronic monitoring (EM) must meet specific conditions for acceptance and for continued supervision:

- We do not accept lower court cases for EM.
 - Payment in full for the costs of the first 30 days of EM or the total amount due if less than 30 days of EM is ordered.
- Payment in full at the start of each month, for each subsequent month of supervision.
 - Radio Frequency (RF) monitoring is \$11.00 per day. Pre-payment for RF is \$330.00 for acceptance and \$330.00 at the beginning of each additional 30-day period. There must be electricity in the residence.
 - GPS tracking/monitoring is \$12.00 per day. Pre-payment for GPS is \$360.00 for acceptance and \$360.00 at the beginning of each additional 30-day period. There must be electricity in the residence.
- Offenders subject to EM will be removed from EM and their supervision will be rejected/returned for failure to pay for monitoring.
