

## Survey to Chief APOs

### Issue: Firearm Holster

#### Question: (from Westmoreland County)

**Westmoreland County is considering the unconcealed carry of county issued firearms on duty. If your county authorizes unconcealed carry, what type and/or level holster do your departments use?**

#### Allegheny County

Same as York. Officers purchase their own firearms gear within the recommended options.

#### Beaver County

Level II, Blackhawk Serpa CQC

Monroe County

Blackhawk T Series Level 2

Pike County

Safariland Level 2

Somerset County

Blackhawk, Serpas, Series II

Wayne County

on the belt conceal: BLACKHAWK T-Series Level 2 Compact

York County

officers to carry a minimum of a Level 2 retention holster that attaches directly to their belt. As far as type/brand we allow some flexibility, however all holsters (make and model) must be approved by the lead firearms instructor. Many of our officers choose to carry a Level 3 holster while in the field or on details. Officers are required to practice and qualify with whatever holster they choose.
