

EBP Champions in County Adult Probation and Parole

Purpose: To identify and recognize staff and stakeholders who consistently promote and support Evidence-Based Practices (EBP) in community supervision, help apply EBP with fidelity, and contribute to improved outcomes, such as reduced recidivism, increased successful completions, and increased public safety.

Candidates: County adult probation staff or a stakeholder working closely with the department.

Who can nominate: Any employee of a county probation department, including self-nomination.

Criteria

- actively support the implementation of EBP
- model EBP skills, including MI, cognitive skill-building, and structured case planning
- coach peers and support skill development
- promote fidelity and continuous quality improvement
- use data to guide practice and implementation
- collaborate across units and with partners
- support a positive, learning-focused culture

Approval and Recognition: Individuals should complete the nomination form and send it electronically to Helene at HelenePlacey@ccappoap.com. Nominations will be reviewed by the EBP Committee, and they will select one EBP Champion each month. The EBP Champion will be asked to provide a brief write up and a picture and will be spotlighted in one of the monthly PPCJI Newsletters. In addition, one EBP Champion will be recognized at the annual conference.

Instructions: Complete all fields on the next page. Narrative fields expand visually in most PDF viewers.
